Barn Cottage is a charming four star (Gold award) Manx barn converted for holiday accommodation in 2007.

The early Victorian barns have been refurbished to a high standard meeting the expectations of 21st century self-catering holidays.

Barn cottage is on a farm in a beautiful rural location on the outskirts of the village of Onchan on the Isle of Man. Just four miles from Douglas, the Isle of Man's capital, it boasts spectacular views across both Onchan village and Douglas bay.

Barn Cottage has been tastefully furnished with two double bedrooms upstairs (both en-suite) and one single bedroom downstairs with a wet room leading off.

Fronting the Cottage is a large private courtyard with ample parking for guests. To the rear of the Cottage, French doors lead onto a private decked area where guests can relax whilst taking in the stunning views.

During June and July the owners who live in the adjoining Barn, operate a pick-your-own-fruit

farm in the field fronting the Barns where strawberries, gooseberries, raspberries and other fruits as well as new potatoes can all be picked fresh from the field.

The ground floor accommodation comprises an open plan sitting room/dining area and kitchen.

The seating area has two large comfortable leather sofas, freeview television, DVD player and CD/Radio. French doors lead onto a private decked area which in turn overlooks a large enclosed lawn where children can play in safety.

The dining area comfortably seats five people.

The fully fitted kitchen provides an electric hob and double oven with fridge/freezer, dishwasher and washer/dryer. The Cottage is serviced by oil fired under-floor heating throughout.

There is a single downstairs bedroom with free-view TV and ample wardrobe and drawer space. Leading off is a downstairs wet room with toilet and basin. A shaving point is provided. Bath and hand towels are provided (not to be removed from the Cottage).

Upstairs there are two generously sized double bedrooms, one configured to provide a king size double bed and the other configured to provide twin beds. Both have freeview TV's and have good sized en-suite bathrooms housing

showerbaths. Shaving points are provided. Once again bath and hand towels are provided as is all bed linen. Spare pillows and towels are
